LSEG Partners With Mastercard to Enhance Digital Identity and Fraud Solutions for Customers (<https://giact.com/lseg-partners-with-mastercard-to-enhance-digital-identity-and-fraud-solutions-for-customers/>)

GIACT, an LSEG (London Stock Exchange Group) business, today announces a partnership with Mastercard, a global technology company in the payments industry, to leverage its Open Banking capabilities to provide a secure account verification solution for customers.

The partnership will build on LSEG's existing suite of digital identity and fraud solutions, allowing businesses to use a multi-method approach to verify account information for over 95%* of U.S. deposit accounts.
