Kevin Burke

Kevin is the visionary founder and CEO of Centuria and has been the driving force behind the company's success for close to two decades. Kevin develops Centuria's business strategy and objectives and ensures their alignment with short- and long-term goals. He leads a staff of highly motivated professionals to advance employee engagement and business activities ensuring they produce desired outcomes consistent with Centuria's overall strategy and mission.

Prior to founding Centuria, Kevin founded and matured Synapse Incorporated, an IT firm headquartered in Reston VA. In his early career, Kevin served as a GS 12 and COTR for the Department of Health and Human Services and as a Corporal in the United States Marine Corps. Kevin brings Centuria expertise in Government operations and Federal contracting having supported the Government as a Marine, Public Servant, and Government service provider for over 30 years combined.

Outside of the office, Kevin supports the Network for Teaching Entrepreneurship by speaking to disadvantaged youth on how to overcome a less-than-perfect

Leadership, vision and knowledge are instrumental to helping Centuria continue to grow and mature as a top-tier Federal consulting firm. As the COO, Rakesh will continue to advocate for a customer focused organization that achieves success through the empowerment of its workforce and instilling discipline in its operational and organizational processes.

Rakesh has held Executive leadership positions in many other organizations and demonstrated a unique ability to integrate technology, organizational principles, and workforce management techniques to increase productivity, efficiency and operating margins. His more significant accomplishments include the development of account management methodologies that generated 80% of total company revenues, the transformation to a cloud based managed service model for a traditional licensed software application and supported the development of a CONUS operational and organizational structure that helped an organization grow from 150 to 700 billable staff members.

Rakesh holds a Master's of Science in Computer Engineering from Clemson University and a Bachelor's of Science in Electrical Engineering from Rutgers University. After graduating from Rutgers University and prior to

CHIEF GROWTH OFFICER (CGO)

Edward Hall

Edward is a dynamic, results-focused leader and serves as Centuria's CGO. In this role, Edward bridges the traditional stovepipes of business development, sales, marketing, operations, and IT to ensure all corporate initiatives originate from Centuria's vision of excellence through service. Edward oversees the formation of business partnerships, negotiation of contracts, and leads Centuria's planning and execution of strategies to achieve corporate growth.

Since joining Centuria, Edward has served as Environmental Intelligence Portfolio Manager, Capture Manager, and Business Analyst. Prior to his tenure at Centuria, Edward served in business development and research roles at Tyson Consulting Group and Azimuth Defense Consulting.

Edward received his Bachelor of Arts in English Language and Literature from the University of Mary Washington in Fredericksburg VA and has achieved Professional Level Certification in Business Development from Shipley

DIRECTOR OF SERVICE DELIVERY

Mike Horn

Mike Horn is the Director of Service Delivery. In this role, he expertly integrates large teams across multiple projects, tracks work performance, ensures timely deliverable submission, and executes the overall project schedule. A forward-looking thinker, he also develops process improvement documentation with senior leadership regarding workflows across the total project lifecycle with the goal of continued process improvement.

Mike has 13 years of experience in service delivery, having managed complex projects consisting of information technology operations and maintenance, as well as design and implementation. Impressively, he has supported multiple Department of Defense contracts in excess of \$200 million.

Mike holds a Bachelor of Science in Business Management from Shenandoah University and has
