This bill responds to the COVID-19 (i.e., coronavirus disease 2019) outbreak by providing additional funding for small business loans, health care providers, and COVID-19 testing.

DIVISION A--SMALL BUSINESS PROGRAMS

The division also expands eligibility for such disaster loans and advances to include agricultural enterprises.

Additionally, the division requires the SBA to guarantee no less than a specified amount of paycheck protection loans made by certain insured depository institutions, community financial institutions, and credit unions.
