

Adam Seery

President/Co-Founder

Bio

Adam Seery has been involved in the origination of small business loans and small balance commercial loans, including conventional product and loans originated pursuant to the SBA's 7(a) and 504 loan programs, for over 20 years. Most recently, Mr. Seery was the COO at Harvest before moving into the President role stationed at the Harvest headquarters in Laguna Hills, CA. Prior to his COO role, Mr. Seery has been in charge of originations at Harvest and Plaza Bank and was a consistent national top 5 originator at Lehman Brothers Small Business Finance. Mr. Seery's energy and passion for small business lending coupled with a "best in class" lending team will continue to drive high loan volume with excellent performance.
