

Welcome to the new USAspending.gov!

We will continue to improve the data quality and display on a rolling basis. Questions? Check out our [About](#) page for important information on the data and authoritative sources or join the conversation on our [Community](#) page.

USASPENDING.gov

In 2017, the government spent \$3.98 trillion.ⁱ

Curious to see how this money was spent? We hope so — we've opened the conversation around federal spending and provide the tools to help you navigate the budget from top to bottom.
